

"We journey together; we walk with each other..., Understanding and growing our faith through relationships to better prepare for tomorrow, because we don't know what tomorrow brings..." (Marc Daigle)

"I have felt at home and safe to share faith-based things or life challenges without judgment, but with Christ's love..., The surprising thing about life groups for me was how everyone has become like a family over time." (Jamie Ryan)

"This group was Heaven-sent to me...They helped me in so many ways without knowing they were helping me..., I know that with God and this group I will survive, and I know I'm not alone." (Cassie Kervin)

"Sowing and Growing Together"

OLP LIFE GROUPS

"For where two or three are gathered together in my name, there I am in the midst of them." (Matt. 18:20)

Our Lady of Peace Parish Life Groups Ministry

What is a Life Group?

It is a small Faith-Sharing Community that meets once a week with the goal of loving and supporting one another in growing in faith and holiness. Group members help one another discern and live out God's plan for their life.

Sessions are 1.5 hours. They typically include a time of reception and welcoming, an opening prayer, a reading, a video-based sermon or reflection, a time of discussion, and they conclude with a time of prayer for the group members and their intentions.

"... if you have faith the size of a mustard seed..." (Matt 17:20-21)

Why join a Life Group?

Because Jesus Asked Us to do it – "Go and make disciples!" (Matt 28:19)
Jesus did not come simply to die for us but to show us how to live. He lived in small group community, so it must be a good thing. (Luke 6:12)

True and Lasting Friendships are Formed – Authentic relationship is something everyone is searching for. Faith-based friendships are essential to living the Christian life. *"People will come out of curiosity, but only stay if they make a friend."* – John Wimber

Opportunity to Be Formed in Virtue - Small groups help us to follow through with our practice of faith through accountability and sharing witness, to learn how others have grown in virtue and share our own successes in the Christian life. *"Iron sharpens iron, so one man sharpens another."* (Prov 27:17)

Opportunity for Faith Formation - Catholic small group community offers us a chance to further our knowledge of the faith, capacity for discernment, and love of God through spiritual reading and discussion. This helps us to make mature, informed decisions about our faith journey.

Goals of a Life Group

Make Friends – We are created for connection and relationship. Whether it is to reflect more deeply on the weekly Liturgy, to learn about a devotion, or to pray together for a special intention, Life Groups meet regularly and foster relationships.

Make Disciples – The purpose of a Life Group is to encourage us on our journey of faith and holiness. Small groups create a place where we can grow in our faith and become more like Jesus.

Peace Parish are
