

Strategic Themes

The Strategic Committee has identified five strategic themes to guide the development of a five year plan.

Parish Community: Strengthening our parish as a welcoming and connected community of faith by deepening engagement, expanding opportunities for participation, fostering belonging, and supporting the spiritual growth of all parishioners.

- Cultivate a deeper, personal relationship with God among parishioners and in our parish community.

Stewardship: Cultivating a culture of generosity and accountability by encouraging the faithful sharing of time, talent, and treasure with the wise management of our resources to ensure a vibrant and sustainable parish community.

- Investment in ministries that serve the parish and the wider community.

Outreach: Strengthening our mission by engaging with the wider community through evangelization, service, advocacy, and partnerships that respond to local needs, welcome new people, and reflect Christ's love in action.

- Establish strong connections and partnerships with local charities, community groups and social services.

Leadership Development: Empowering current and future leaders through formation, mentorship, and ongoing learning to inspire collaboration, strengthen ministries, and build a thriving parish community.

- Create a supportive, collaborative culture that empowers people to work together to make our mission a reality.

Infrastructure: Ensuring our buildings, technology, processes, and organizational capacity effectively support worship, ministry, community engagement, and the future needs of the parish.

- Promote asset stewardship through responsible management, allocation, and oversight of physical and environmental assets to generate and sustain long-term value.

How You Can Help

Here are some ways you can help the committee in the coming months.

- Participate in short survey questions that the committee will occasionally ask.
- Attend scheduled meetings and provide input.
- Complete the attached form.

Having a complete picture of our current demographics will assist with our future plan.

All information collected is for Our Lady of Peace Parish only.

Our Lady of Peace Parish Strategic Planning Committee

In 2025, Fr. Maria and Pastoral Council invited parishioners who were interested in helping to shape the long-term future of our parish to become members of a newly formed Strategic Planning Committee.

Since beginning it's work in late 2025, the committee has met regularly to prayerfully discern a vision and mission for the planning process. Together we have identified five strategic themes that will guide the development of a long-term strategic plan for the parish.

The committee is currently comprised of parish members who are committed to an objective assessment of parish operations and services necessary to implement and sustain it's mission, goals and long-term vision.

Committee Members

Fr. Maria Arokiam	Brennan Sisk
Greg Feener	Rochelle Ivey
Marc Daigle	Patty Cameron
Ken Harris	Robert Griffin
Judy McAloon	Jim Canney

We look forward to updating the parish regularly on the strategic planning process and engaging in a dialog with parishioners to sustain the vision for Our Lady of Peace Parish.

If you have any question on the process please reach out to Brennan Sisk by email at olpstratcom@gmail.com

Our Mission

To assess our parish's infrastructure, finances, programming, inclusion, demographics, and outreach to faithfully realize our vision over the next five years.

The committee will develop an objective process to undertake a comprehensive Strengths, Weaknesses, Opportunities and Threats (SWOT) analysis.

Through this discernment, the goal is to strengthen our parish for present and future challenges, and to develop a sustainable path for prosperity, unity and evangelization within our parish community.

Our Vision

Rooted in the faithful stewardship of our resources and gifts of our people, we strive to be a united parish that radiates Christ's love and boldly shares the Good News within our community and beyond.
