1)	What helps or prevents you from being active in the Church's mission? (The Catholic Church's mission is to carry out and continue the work of Jesus Christ on Earth. The Church, and those in it, must: share the Word of God, help those in need, live as examples to all.)
2)	What areas of the Church's mission are we missing or neglecting?
3)	What particular issues in the Church do we need to pay more attending to?

4)	What particular issues in society do we need to pay more attention to?
5)	How can we, the local Church, journey with our Indigenous brothers and sisters in a process of healing
,	and reconciliation?
6)	From this time of listening, can you sum up in one or two sentences how the Spirit is calling us to grow
0)	in "journeying together" in our local Church in the Diocese of Saint John?
